INTERFERENCE SEARCHED			
Class	Sub.	Date	Exmr.

This is a high-contrast, black and white image, possibly a scan of a document or a photograph. It features a vertical, textured surface, likely a metal rod or pipe, running down the center. To the right of this central element is a dark, irregular shape that appears to be a shadow or a mark on the surface. The overall image is grainy and has a high level of contrast, with very few mid-tones.
